The Basics of Mathematics – Non-credit course

The ACCESS Program at DeSales University is offering an 8-week non-credit math course for individuals interested in brushing up on their analytical skills. If you are apprehensive about jumping into a math requirement and have been out of the math loop for some time, this course will help you acquire the skills needed to be successful in future quantitative courses.

- **Session 2**
  Monday Evenings, 6:00 pm to 9:00 pm

October 17, 2011 to December 10, 2011

Center Valley Campus

2755 Station Avenue, Center Valley, PA 18034

Cost $200

The course will be offered in the hybrid format (meeting one-day per week). No textbook required. Course materials will be provided by Vassilka Toneva, instructor.

If you are interested in taking this course, please contact Leala Kuchera at 610.814.4871 or by email Leala.Kuchera@desales.edu.
