“The opportunity to meet with professional actors was so valuable. It gave me such a wonderful insight into the world of professional theatre.”

“I hope you will continue to share your passion and understanding of the theatre with students for years to come because the effect is priceless!”

“I treasure the confidence I gained from the instructors and my fellow students. I honestly couldn’t find one thing that was ineffective in the program. This is the best thing I’ve ever done.”

“I just wanted to tell you that the program really did work wonders. I’ve been getting really good roles! This program was the best theatre experience I ever had.”

“I want to thank you for what almost every mother would want for their children—a great summer program that offers not just knowledge, but a growing personal experience. I’ve been deeply touched by the power of your institute. Thank you again for making such a difference to my daughter’s self-esteem.”

“We wanted to thank you for the extra time you gave our son. We are still tickled that he did so well. He had a wonderful experience at DeSales. You and your staff are to be applauded! Thank you again and God bless.”
