Each department at DeSales is assigned a librarian-liaison. These librarians serve to keep the faculty and staff informed of new services and tools available to them in and through the library. The librarians are also available for consultation regarding collection development, subject-focused classroom instruction or co-instruction, class tours, reference services, and individualized single session or ongoing instruction as needed for faculty and students.

Dance and Performing/Fine Arts -- Michele Mrazik (ext. 1612)
